

INTERNET PERMISSION FORM

Dear Parent

As part of the college's ICT programme we will be offering all students supervised access to the Internet. All students must obtain parental permission and both they **and** you must sign and return the enclosed form as evidence of your approval and their acceptance of the college rules regarding Internet Access. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration outweigh any disadvantages. During college, teachers will guide students towards appropriate materials.

We would be grateful if you could read the enclosed guidance documents and then complete the permission form and return it to college with your son as soon as possible.

Yours sincerely
